

# Turnip House

Craft Workshop  
Tea Room

## From Bryansford Village:

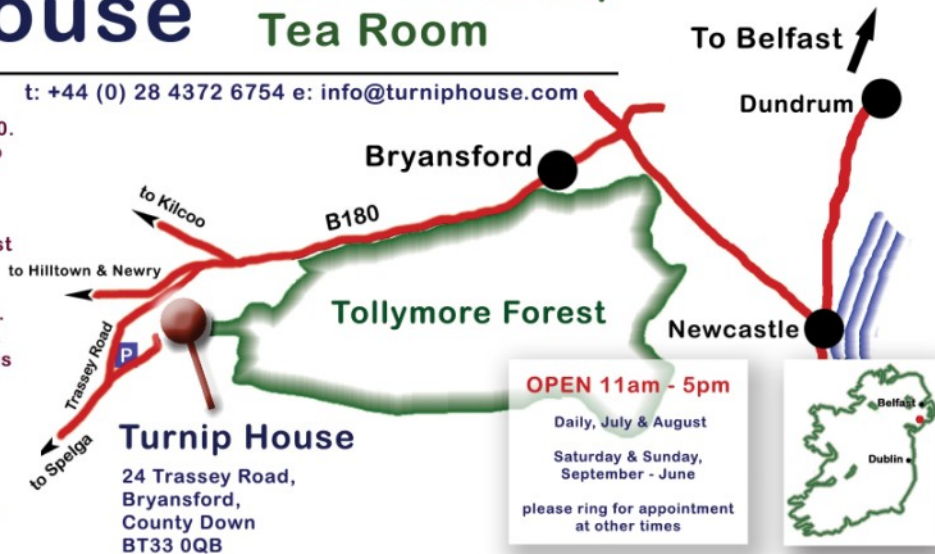

Go West towards Hilltown on the B180. Take the next left (about 2 miles) onto Trassey Road. Go down the hill and over the hump backed bridge. Look for the Turnip House sign pointing left immediately after the first car park.

Turn left onto the lane; drive 600m along the lane, keep left (signposted). The lane is passable with care by car. Alternatively, park in the car park. It is a beautiful walk!

## Through Tollymore Forest:

Follow the long haul trail past the King's Grave. Keep going. Turnip House is 300 metres beyond the Salmon's Leap Viewpoint on your right.
